Good Morning,

This High schools are:

DPS Delta HS 2/27/2019
Englewood Colorado's Finest HS of Choice 2/28/2019
CSI Early College of Arvada 3/7/2019
DPS Collegiate Prep TBD

Currently the only date of concern for the DPS school is February 27th. Based on the progress of the strike negotiations this date may need to be rescheduled. However, since they didn't let me know about the training until the day before it happened, you would still need to participate in a make up training prior to going. At this point I don't believe Nazie will be holding another one. I've already asked, but did not get a response yet, as soon as I hear I'll let you know.

The other dates that are being held are: 3/8; 3/13; 3/14; 3/15; 3/19; 3/20; 3/22; 4/4; 4/12; 4/18; 4/19.

I'm inclined to think that the DPS schools that will fill these slots are the ES and MS DPS schools that were supposed to happen this and next week. I'd be surprised if the strike was still underway on 2/27/19.

I'll be in touch and thank you,
Wendy

Wendy,
Can you tell us which 4 high schools (and AU) are in this process? Gail and I can then figure out who would be the regional consultant for the visits. Also, can you share the April "hold for" dates with us as well?

Thanks
Gloria

These are the site visits to the schools that have selected Connect for Success as an improvement strategy and have been awarded the grant funds. They have been identified as either the lowest 5% in academic performance and/or have a graduation rate below 67%.

There are 11 schools that are recipients of the grant this year and four of them have high school students (either stand alone HS or MS/HS).

Thank you,
Wendy
